Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner notified applicant's representative, Mark Murphy, that the chemical formulas included in the Drawings section should not be included in the Drawings section. The examiner indicated that the chemical formulas should be inserted in the specification where appropriate. Applicant's representative approved the attached examiner's amendment which deletes the chemical formulas from the Drawings section. Furthermore, the examiner's amendment inserts the chemical formulas into the specification. The substance of the examiner's amendment has been approved by Mark Murphy in its entirety.
